BIG BUSINESS INVESTS IN THE COMMUNITY

PPC Cement does not believe in donating but in investing. If you invest, you will receive returns. They empower their beneficiaries in order to transform their lives. The organisation called "Time for change" is an inner city non-government organisation which gives shelter to women and children living on the streets.

A bakery donated by PPC gives hope to these vulnerable women and children. They bake bread and confectionary and sell it in the informal market to commuters at taxi ranks.

The project has been most rewarding because people who have been forgotten by society have been given a skill that empowers them.

Due to the increase in demand for their product, they opened another bakery. Three youngsters have been identified to enrol in a business management course to enable them to assist in the centre's day-to-day operations and management.
